## School Overview

Oakenden State School provides a quality educational program for students from Preparatory Year to Year 6 in a rural multiage setting, 30km south west of Mackay. The curriculum offers children opportunities in all 8 key learning areas of the Australian Curriculum, with a strong focus on Literacy and Numeracy. The school is led by a teaching principal with a range of support staff and a highly supportive school community. Parents work collaboratively through a supportive Parents and Citizens Association which endeavours to assist with the educational program as well as the development of the facilities and services for the students in this community. The school is well resourced with 2 teaching areas and a library. With a 1:1 computer ratio all students have access to computers as well as interactive whiteboards, robotic kits, a well stocked library, a tennis court and a wide range of sporting equipment. The school is involved in a wide range of extra curricula activities across academic, cultural and sporting arenas. Decision making at Oakenden State School is guided by our school rules which describe the positive choices we make every day: Be Smart, Be Fair, Be Safe.

Our goal is continuous improvement by every child, every day. Our small size and low teacher-student ratios allow us to achieve this through explicit, individualised instruction. It also means that no child is lost in our system and we are able to achieve high levels of educational attainment. Visitors to Oakenden State School comment on the family dynamic which exists between our students. This is fostered in our safe, tolerant, disciplined learning environment. Through our diversified inclusive approach to education, students have every opportunity to become active, reflective citizens who have the skills and desires to be lifelong learners. When graduating from Oakenden State School, students leave as effective communicators and life long learners who will thrive in society, now and into the future.

# Principal's Foreword

## Introduction

This report gives a snapshot of the 2017 school year which will reflect the pride our students, parents and teachers have in Oakenden State School. It is available through our school website or in a hard copy form the school office.

These goals are colour coordinated. Please follow the key below;

	Not accomplished
	Working with
	Accomplished

### School Progress towards its goals in 2017

During 2017 the priorities outlined in the Annual Implementation Plan (AIP) included;

1. Reading	Develop consistency in the delivery of numeracy. Implement a whole school scheduled moderation and assessment framework so that assessment is aligned and timely.
2. Numeracy	Develop consistency in the delivery of numeracy. Implement a whole school scheduled moderation and assessment framework so that assessment is aligned and timely.
3. Continuous monitoring of student achievement	Refine the whole school approach to assessment, planning & reporting. Create a culture of visual and relevant resources that engages students in their learning.

### Future Outlook

During 2018 the priorities that will be outlined in the Annual Implementation Plan (AIP) include;

1. Reading	Developing consistency in the delivery of reading. To implement a whole school scheduled moderation and assessment framework so that assessment is aligned and timely.
2. Partnerships in Learning	Creating opportunities for the local community to engage with Oakenden with early years transition activities. To create and implement a wellbeing framework to suit the context of Oakenden State School
3. Australian Curriculum Planning & Implementation	Building the capacity of staff to implement the Australian Curriculum through the support of the cluster.

# Our School at a Glance

## School Profile

<b>Coeducational or single sex:</b>	Coeducational
<b>Independent Public School:</b>	No
<b>Year levels offered in 2017:</b>	Prep Year - Year 6

### Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
<b>2015</b>	19	9	10	1	92%
<b>2016</b>	18	7	11	1	95%
<b>2017</b>	13	7	6	2	100%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep\*\* program.

\*\* pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

## Characteristics of the Student Body

### Overview

Our students are drawn primarily from farming families who are part of the sugar or cattle industries. English is the language spoken in all homes. Some students however identify culturally with the land of their grandparents' birth which includes the Torres Strait Islands. All families have one parent working full time and another working part time or in the home only. All primary students attend a non-denominational Christian Religious Education class once a week. As is to be expected in a small school, most of our students have siblings in the classroom. Enrolment is very stable in the school and we are currently educating a fifth generation student.

### Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3	14	19	13
Year 4 – Year 6			
Year 7 – Year 10			
Year 11 – Year 12			

## Curriculum Delivery

### Our Approach to Curriculum Delivery

- ✓ Extensive new technologies for 21st learning: One to one laptops and iPads, interactive white boards and Lego robotics
- ✓ Individualised instruction with a student: teacher ratio of 9:1 or better
- ✓ Age Appropriate Pedagogy – a range and balance to ensure a holistic approach to education.
- ✓ Multi-Age classrooms: Prep – Year six

### Co-curricular Activities

- ✓ Mackay Whitsunday Regional Chess Competition and training days

- ✓ GRIP Leadership conference for year 6 students
- ✓ As part of the Sandy Creek small schools cluster students participate in numerous sporting events, such as: football and netball carnivals, athletics and cross country carnivals.
- ✓ Under 8's activities, biggest morning tea event, Whitsunday Voices conference
- ✓ Whole school camp including students from prep- year 6

## How Information and Communication Technologies are used to Assist Learning

Information and communication technologies are a mainstay of teaching and learning in our multi-age setting. Qualified with a Digital Pedagogy Licence, our school principal has prioritised spending on new iPads to maintain the 1:1 student- iPad and laptop ratio. Site licences have been purchased to such quality websites as, IXL Maths, Spelling City, LEXIA, Reading Plus and a range of other applications to allow highly engaging content to be delivered and tracked to maximise outcomes.

iPads and laptops are loaded with suitable and engaging apps and are used in situations as diverse as interactive story telling for prep students, maths and English as a learning tool for multi-model presentations, as a practice tool for the Chess club and as a camera in visual arts. Students loan these devices out from the school to take home on a daily basis to complete any work necessary. A digital microscope is permanently available for use in the science area. Lego robotics and bee bots are available to interested students for developing their building and programming skills.

## Social Climate

### Overview

The school climate at Oakenden State School is one of a large extended family. Parents, students and teachers are very supportive of the school and share high expectations in relation to the curriculum, behaviour, resources and facilities. Programs to cater for our diverse student cohort, social skills and learning support are implemented into the daily curriculum to cater for individual learning needs.

Our very active Parents and Citizens Association work with the school administration team to provide the extra facilities and improvements to enhance the learning, safety and welfare of the children at the school.

Our Responsible Behaviour Plan encourages our children to take responsibility for their actions and rewards those who do the right thing. We have a 'no tolerance' to bullying with incidences mediated and reported to parents directly.

### Parent, Student and Staff Satisfaction

#### Parent opinion survey

Performance measure			
Percentage of parents/caregivers who agree <sup>#</sup> that:	2015	2016	2017

\* Nationally agreed student and parent/caregiver items

# 'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

## Parent and community engagement

Oakenden State School values its diverse and involved community. We have an active Parents and Citizens group that meets monthly.

The types of activities our parents are involved in are:

- ✓ Assistance with the running of the Sandy Creek Cluster Cross Country that is held at Oakenden annually;
- ✓ Assisting with instructing children in extra curricula activities of their own interest e.g. Craft for the local show, Eisteddfod, Chess.

- ✓ Running the monthly tuckshop;
- ✓ Attending twice monthly playgroup;
- ✓ Transporting students to extra-curricular activities;
- ✓ Working bees around the school grounds.
- ✓ Attending our school camps

Parents are informed of their child's progress and achievements on a regular basis through informal verbal and written communication as well as formal letters of recognition, a fortnightly newsletter and a fortnightly parade. Parents are involved in parent/student/teacher interviews at the end of term 1 and 3 or whenever requested. These interviews are to reflect on progress made and plan goals for future improvement.

### Respectful relationships programs

Through the implementation of the Australian curriculum Health and Physical Education program, the school has developed and implemented teaching strategies that focus on appropriate, respectful, equitable and healthy relationships.

### School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	0	0	0
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

## Environmental Footprint

### Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

During 2017, staff, students and parents maintained our commitment to reducing our environmental footprint. In 2012 we applied for and were successful in receiving a grant from the national Solar Schools Program. We offer an electronic newsletter to save paper waste and we separate our rubbish into rubbish and recycling and keep our grounds free from rubbish.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	9,147	
2015-2016	4,820	
2016-2017	14,248	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

## School Funding

### School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Certificate	

\*Teaching staff includes School Leaders

\*\*Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

## Professional Development

### Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2017 were \$2,420.

The major professional development initiatives are as follows:

- ✓ School budget training
- ✓ Oral Language workshop
- ✓ First Aid training
- ✓ National School Improvement training
- ✓ Positive Behaviour for Learning (PBL) staff induction and training
- ✓ Statewide Principals conference

The proportion of the teaching staff involved in professional development activities during 2017 was 100%.

## Staff Attendance and Retention

### Staff attendance

AVERAGE STAFF ATTENDANCE (%)			
Description	2015	2016	2017
Staff attendance for permanent and temporary staff and school leaders.	100%	96%	96%

### Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 71% of staff was retained by the school for the entire 2017.

## Performance of Our Students

### Key Student Outcomes

#### Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017			
Description	2015	2016	2017
The overall attendance rate* for the students at this school (shown as a percentage).	97%	96%	91%
The attendance rate for Indigenous students at this school (shown as a percentage).	DW	DW	87%

\*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland Primary schools was 93%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015	98%		92%	98%	96%	99%	97%						
2016	98%	94%	98%	93%	100%	95%	99%						
2017	92%	83%	DW	DW	90%	92%	95%						

\*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

### Student Attendance Distribution

The proportions of students by attendance range:

### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Oneschool electronic roll marking is carried out at the start of the school day (8:30) and at the beginning of the afternoon session (1:00) daily. Parents are contacted by the teacher immediately if their child is absent.

The Principal will contact the parents when absences are unexplained, continual or recurring. If the absence is more than 10 consecutive days, an exemption will be sought.

## NAPLAN

In 2017, we had students in Year 5 who sat the NAPLAN test. During the period from 2016 to 2017 when a year level participated in NAPLAN 100% of students were at or above the National Minimum Standard in reading, writing, spelling, grammar and punctuation and numeracy. Further, 100% of students achieved results in the upper two bandings for reading, numeracy, spelling and grammar and punctuation.

Individual school year's data has been withheld due to privacy issues due to low numbers in the relevant year levels.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.
