

Investing for Success

**Under this agreement for 2022
Oakenden State School will receive**

\$5,633*

This funding will be used to

- Improve teacher capability in using data to document and deliver high quality differentiation for all learners.
- Ensure every student will achieve the relevant year level or better standard, on the P-10 Literacy Continuum.

Our initiatives include

- Increase teacher's repertoire of effective strategies for differentiation across all learning areas.
- Use the P-10 Literacy Continuum materials across Prep to year 6 to inform teaching, learning and resourcing and to track progress.
- Engage with Professional Development and cluster support to increase teacher's capability and repertoire of effective differentiation strategies and being able to deliver these through co-planning and teaching.
- Provide focussed and intensive teaching for students requiring additional support to demonstrate achievement against the P-10 Literacy Continuum and year-level achievement standards.

Our school will improve student outcomes by

<ul style="list-style-type: none"> • Purchase additional teacher aide time to develop materials to use in working with specific children and small groups on particular learning goals and to track progress. 	Aide time: \$ 5,633
<ul style="list-style-type: none"> • Provide focussed and intensive teaching for students requiring additional support to demonstrate achievement against the P-10 Literacy Continuum and year-level achievement standards.
